5.5mm crochet hook

Abbreviations

ch	Chain
tr	Treble Crochet
st	Stitch

Notes

This pattern uses the 'corner to corner' crochet technique. As the name suggests you are working from one corner of the blanket to the opposite corner by crocheting an increasing and then decreasing number of blocks.

I have given written instructions for the first 3 rows and information on how to change colour and decrease rows. After this you can follow the chart for colour change info.

When you are changing colour you will only change one strand at a time. For example - at the end of Row 6 you will swap 1 strand of yarn A for 1 strand of yarn B.

Decreases

Start decreasing at the end of row 45. Do not do a 6 ch, instead you need to turn your work and ss along the edge of the block you just made. Once you are in the turning chain space 3 ch and start building blocks as per the increase rows.

Pattern

Using 2 strands of yarn A held together, ch6.

Row 1: tr in the 4th ch from hook, tr in remaining 2 ch (1st block made).

Row 2: ch6, tr in the 4th ch from hook, tr in remaining 2 ch (2nd block made), turn the 1st block and ss into the space between ch3 and 1st tr of first block, ch3, 3tr into same space to create 3rd block and complete this row.

Row 3: ch6, tr in the 4th ch from hook, tr in remaining 2 ch, turn work and ss into space between ch3 and 1st tr of previous block, ch3, 3tr in same space, ss to next block, ch3, 3tr in same space to complete the row.

Row 4-45: Continue increasing in the same way as described in row 3, changing colours as per the chart given. At the end of row 45 you will begin your first decrease row.

Row 46-89: Work decrease rows as per instructions, changing colours where needed. Fasten off, sew in any loose ends.
